<http://www.thegittensclinic.com/capability-statement.html>

**Organizations such as the Federal Aviation Administration trust The Gittens Clinic, Inc. for their physician-led addiction treatment, drug abuse counseling, and urine drug testing -- because our 30+ years of clinical expertise, 1,200+ served, and federally compliant care, deliver results when it matters most.**

## WHO WE ARE

- **Physician-Led Care** -- The Gittens Clinic, Inc. is a physician-led addiction clinic where all treatment protocols are directly supervised by Dr. Carl Gittens, MD, ensuring the highest standard of medical oversight in every patient interaction.
- **30+ Years of Clinical Experience** -- Proudly serving public and private patients for over three decades in South Florida, bringing unmatched depth of expertise in addiction medicine.
- **Proven Patient Outcomes** -- Over 1,200 patients served with documented recovery support, demonstrating our commitment to measurable, real-world results.
- **Comprehensive Drug Services** -- We provide the full spectrum required: drug abuse counseling, patient assessments, and urine drug testing -- continuously evaluating evidence-based solutions to ensure our patients receive the best possible care.
- **Federally Registered & Compliant** -- Active SAM.gov registration (UEI: W7S4SHN19QN5, CAGE: 8YZ76), fully compliant with federal procurement requirements and healthcare regulations.
- **Community-Centered, Culturally Competent Care** -- Deeply rooted in the South Florida community, delivering culturally sensitive treatment that meets patients where they are.
